DRYSUIT	Service Required <input type="text"/>		Service Options <input type="text"/>	
			Brand * <input type="text"/>	Serial Number * <input type="text"/>
	Describe reason for servicing and known damage(s) * Please send drysuit without bag. A handling fee applies for drysuit bag sent with drysuit.			
	<input style="width: 100%; height: 100%;" type="text"/>			
	<p>All drysuits need to be clean, free of sand and salt water spray when received. A handling fee applies for drysuit when dirty, sandy, salt stained or in questionable sanitary condition including unhygienic P-valve.</p> <p>Altalena is a certified Ursuit, Fourth Element, Waterproof, Bare & Hollis drysuit warranty repair facility. If you believe the service required on the drysuit is part/all covered under warranty, please contact the dealer or the distributor directly.</p> <p>Alternatively, the evaluation and service on your drysuit will be performed as out of warranty service.</p> <p>Following our evaluation, quote or report, if in your opinion part/all the costs should be covered under warranty by the manufacturer, you agree to handle any claims directly with the distributor and/or manufacturer upon service completion.</p>			
VALVES	Sitech and Apeks recommend yearly drysuit valve inspection and service every two years by service technician The drysuit evaluation includes only valve visual inspection for signs of damage. Please select an option from the pull down menu below to include drysuit valve testing or valve testing & service.
